

Dear fellow Dog Mentor,

We are delighted to invite you to our first-ever National Dog Mentor Conference at The Willows Conference Centre, Wyboston Lakes Resort, Bedford. You will have the chance to learn about the latest educational strategies and new concepts for getting the best out of your Dog Mentor in school. You will also have the opportunity to connect with like-minded people working in schools across the nation.

Our theme for the day is "The Power of the Dog Mentor." We want to help you utilise the magic of your Dog Mentor in your school setting.

Experience an exclusive opportunity to gain valuable insights and expert guidance from our carefully selected speakers. Our speakers will be sharing their extensive experience of working with dogs and provide guidance to support both the young people and Dog Mentors you are working with.

Highlights include:

- An innovative program that combines physical activity with teaching skills
- Ideas to develop emotional intelligence in young people
- Discussions around the significance of embedding Dog Mentors into the curriculum including advice on curriculum timetabling
- The sharing of sample lesson plans
- Advice on dog nutrition
- Dog physiotherapy guidance

We are also excited to announce that the conference will end with our very first award ceremony to celebrate the outstanding achievements of our Dog Mentors.

Here at The Dog Mentor we believe that networking is crucial to the development of successful educational institutions. The conference will provide you with an excellent opportunity to network with colleagues in similar settings and share best practice. During the course of the day you will have time to browse a variety of exhibitions from a range of suppliers.

Don't miss out on this exclusive opportunity. If you would like to secure your place at the conference please follow the link to our booking site.
